OMNICHORD SYSTEM TWO

The most versatile classroom instrument you and your students will ever use!

AS SIMPLE OR ADVANCED AS YOUR CLASS
Now transform the language of music into new dimensions of fun and excitement right in your classroom. Your students can make music instantly the first time they try. The Omnichord System Two can be played in very simple modes for beginners, and as your class advances, Omnichord's full compliment of accompanying sounds and functions are there providing immediate reward & challenge for students at all levels of accomplishment.

IT'S THE ONE-MAN BAND YOU CAN STRUM
84 Chord Combinations At the touch of a button, accompany your class in any key as Omnichord supplies the background in major, minor, major 7th, minor 7th, augmented and diminished chords, through its built-in speaker.

Sonicstrings Strumplate
Your students will take delight in strumming all or part of 4 octaves of your selected chord just like a guitar, adding true musical expression. You control the multiple voicing on the Sonicstrings as well, from harp-like tones to synthesizer sounds.

IT'S GOT RHYTHM! With 10 rhythms to choose from and adjustable tempo, you can create a wide variety of percussion backgrounds, and with the touch of a button engage the walking bass line. By adding this feature your composition will come alive!

OMNICHORD REMEMBERS! The programmable memory will memorize all chords, drums & bassline of your selection and play them back using one finger or the accessory footswitch.

CHROMATIC MELODY KEYBOARD
The Omnichord's 36 softtouch chord buttons become a chromatic melody keyboard during chord memory playback. Now you can play the melody line on Omnichord System Two! The keyboard has a 3 octave range.

GUITARORGANPIANOBASSDRUMS—
All in one lightweight, portable, music-packed instrument! Omnichord System Two could easily be the only instrument you'll need in your classroom. At concert time Omnichord will plug into any PIA system.

Model OM-84 Omnichord System Two \$229.00
(batteries included)

TRONICHORD

The electronic accompaniment instrument anyone can play!

Tronichord is a miniature version of the Omnichord but is packed full of musical electronics. Tronichord plays 27 major, minor or 7th chords and contains the amazing "SonicStrings" touchplate. Its compact size makes it an ideal accompaniment instrument for the teacher on the move. Powered by batteries (not included) or optional A/C adapter, Tronichord weighs only two pounds and includes built-in amplifier, chord, sustain and tuning controls, one year factory warranty, instruction manual and can be plugged into a larger sound system if desired.

Model TR-27 Tronichord
